

# Healing Touch Level 1

Healing Touch helps you **embrace compassion in your work and world**. With Healing Touch you can gently, and significantly, impact the body-mind-spirit well being of people in your life and practice. After your first Healing Touch class you will possess a life-changing gift that you can offer over and over again to support health and facilitate the healing process for your patients and loved ones.

## WHAT IS HEALING TOUCH?

Healing Touch is a **gentle, complementary energy-based approach to health and healing**. The goal is to restore harmony and balance to the human energy system through a heart-centered caring relationship and the **use of contact/non-contact touch**. This can greatly assist the body and mind in its natural ability to heal. Healing Touch is an **evidence-based practice** that offers continuing education for nurses and massage therapists.

## HEALING TOUCH:

- Utilizes off body or light touch methods that clear congestion, relieves pain, facilitates balance and promotes mind-body-spirit healing
- An international certification program
- A holistic practice that demonstrates Caring Science/Caring Theory (Dr. Jean Watson)
- Research based ([www.HealingTouchResearch.com](http://www.HealingTouchResearch.com))
- Integrated in over 40 hospitals; Taught in over thirty countries
- Endorsed by American and Canadian Holistic Nurses' Associations

Add this life-changing gift to your skills to help others as you deepen your personal and professional growth.
